b. **It was resolved** to register an objection to:

TV No 07/03555/FULLN 33 Andover Rd, Red Post Bridge: New 3-storey dwelling, on the following grounds:

i. The modified design, by reason of its scale, still represented an undesirable intrusion into the rural scene.

ii. As the proposed dwelling still contained 3 storeys it remained in conflict with the long-standing policy that buildings in Little Park should be of single-storey design.

c. It was noted that the applicant had registered an appeal in respect of the above property with reference to the previous application (TV No 07/01355/FULLN) .
