Local Organisations

a. **Nursery School.** Mrs.R.Osmond, Manager of Abbotts Ann Nursery School, reported that current regulations required her to raise a number of issues which would have to be approved or implemented by the Parish Council, including:-

- a. Provision of a garden area.
- b. Improving security, particularly in relation to the height of the perimeter fence
- c. Use of parking area for play, involving temporary closing of area to public
- d. Prevention of fouling by dogs
- e. Storage of equipment for outside play.

The Council undertook to give sympathetic consideration to practical solutions to the problems involved and to discuss them at the next meeting.

The Chairman and Cllr Stallard emphasised the importance which the village as a whole, and the War Memorial Hall Committee in particular, attach to the Nursery School. The Chairman undertook to investigate the possibilities of raising the height of the roadside fence. **Action Chairman**

At 7.50 p.m. Standing Orders were resumed. Cllr D.Alleway left at the same time

b. **Development of Andover Airfield.** (a) Abbotts Ann Action. Dr.J.Moon and Mr.R.Lucas presented the draft of a second letter of objection in response to the revised application from the developers (see attached Appendix); this had been circulated to all Councillors, who agreed that it was a masterly document and approved it for signature by the Chairman. Dr. Moon stated that to date it had also been approved for signature by the Chairmen of Monxton, Amport and Penton Parish Councils. Dr. Moon also presented the plan, to be annexed to the letter, of a revised layout of the access roads to the site, designed to minimise traffic on the Monxton Road. Mr.Lucas emphasised the fact that even if TESCO abandoned the project, eventual development of the site was inevitable; the issue of traffic through the

villages was of paramount importance and should remain the primary concern of local Parish Councils.

After discussion a Vote of Thanks was unanimously passed for the continuing work of Mr. Lucas and Dr. Moon on behalf of this and other Parishes.

(b.) **TVBC Meeting**, 3rd December 2007. A speaker for the local Parish Councils was required to represent their views to the Planning Committee meeting scheduled for 3rd December at The Lights Theatre. Mrs. Katrina Saville, Chairman of Monxton Parish Council was willing to speak; it was resolved that Mrs. Saville be authorised to speak on behalf of this Council. Pro PS Sec GW

(c) **Petition**. The "Stop Megashed" committee were continuing to organise demonstrations and to collect signatures for their petition; the target was 5,000 signatures, of which 3,000 had been collected so far. All local parishes had been asked to provide volunteers to man a stand at Andover Market on Saturdays. For 3rd November Cllrs P.Wilkins and G.Whyte volunteered for this duty.

(d) **Demonstration**. The "Stop Megashed" committee was asking for 50 volunteers from each of ten parishes to provide an overwhelming presence at the Planning Meeting on 3rd December. Cllr G.Stallard warned that this might be postponed into the New Year if consultations with the Highway authorities had not been completed in time.

Clerk's Report

Speed-warning signs. The Clerk was in the process of collecting information about electronic signs to supplement consideration of other traffic-calming measures.

HAPTC. This organisation had changed its name to HALC (Hampshire Association of Local Councils).

Playground Inspections. Inspection had been delayed due to an accident sustained by the contractor, who had however made arrangements for an expert from TVBC to provide an interim report.

E-planning seminar. The Clerk was planning to attend a seminar devoted to this subject on 6th November at Longstock. It was hoped that he would be able to explain the technicalities involved to the next meeting.

Complaint. The Clerk had been distressed by an anonymous telephone call purporting to express criticism of the October Newsletter in vigorous terms and in a manner which had allowed neither clarification nor response. The Council wished to record its continuing approval and support of the Clerk's approach to the publication of the Newsletter. The Clerk, while unclear about the nature of the objection, wished to express his apologies for any offence caused.
